

Beyond survival: people metrics for boards

Rebecca McCaffry, Associate Technical Director
CIMA Research & Development

The DNA of the finance function

The future of finance?

Board priorities in times of crisis

- Operational resilience
- Financial well-being
- Reputation

What are the key performance questions
that need answering?

Is our
organisation
viable?

Covid-19 and the annual report

- Going concern?
- Principal risks and uncertainties?
- Adjusting events?
- How will we report our 'People' information in 2020?

What data
do we
need?

How can we
collect this
data?

Beyond survival – learning for the future

- Anticipatory capacities
- Coping capacities
- Vulnerabilities

Bouncing back is good.

Bouncing forward is better!

What data
do we
need?

How can we
collect this
data?

Finance transformation: the human perspective

Why it's time for finance to invest in its people
