

City HR Networks and Special Interest Groups (SIGs) for City HR Members

Our 13 Networks and Special Interest Groups are up and running with some Roundtable sessions already taking place and others being planned. If you haven't joined any yet here is your chance! Once you have signed up, you will be invited to take part in smaller group discussions, some of which will be in person, which will give you the opportunity to share your own experiences with the group, take part in more informal and in-depth discussions and contribute to debates. Equally, this also means you will have the opportunity to develop your network of peers and share and draw on resources from outside of your own organisation. The Networks are open to City HR Full members only whereas the SIGs are open to all (with exception of the Reward & Compensation SIG which is for full members only).

Here is a list of the Networks:

- Small and medium Banks
- Wealth and Asset Management
- Insurance
- International Organisations
- Next Generation (specific for future leaders - please join this network if you are interested to share experiences with this peer group)

All of the Networks and Special Interest Groups will be updating the full membership at HRCC's during the course of the year, so you will have the opportunity to hear updates even if you don't sign up for a Network or SIG.

We strongly encourage you to get involved with these groups as they are a wonderful opportunity to expand your horizons and broaden your network as part of City HR.
