

City HR Networks and Special Interest Groups (SIGs) for City HR Members

Please see the full list of Networks and SIGs listed below. Once you have signed up, you will be invited to take part in smaller group discussions, some of which will be in person, which will give you the opportunity to share your own experiences with the group, take part in more informal and in-depth discussions and contribute to debates. Equally, this also means you will have the opportunity to develop your network of peers and share and draw on resources from outside of your own organisation.

We would anticipate that your organisation is considered to fall into one (possibly two) of these categories, so would not expect you to sign up for more than 2 Networks. Please note that the Networks are only available for **full City HR members**.

- Fintech (New!)
- Insurance
- International Organisations
- Small and Medium Banks
- Wealth & Asset Management

The following Network is specific for **future leaders** – please join this network if you are interested in sharing experiences with this peer group.

- Next Generation Network

Please select the Network(s) you would like to join here: <https://forms.office.com/e/38QSQCKdVT>

Should you select to join a SIG, we would expect you to be able to share experiences, contribute to debate and gain insights from discussions relevant for that SIG.

- Digital & AI
- EDI
- ESG
- Legal & Regulatory
- People Analytics
- Reward & Compensation (**full members only**)
- Resourcing & Assessment
- Talent & Organisational Development
- Women in Leadership

Please select the Special Interest Group(s) you would like to join here:

Following you registering for a Network or Special Interest Group, you will then be invited to attend an informal roundtable which will be virtual, in person or hybrid.

As a reminder, all of the Networks and Special Interest Groups will be updating the full membership at **HR Community Chats** during the course of the year, so you will have the opportunity to hear updates even if you don't sign up for a Network or SIG.

We strongly encourage you to get involved with these groups as they are a wonderful opportunity to expand your horizons and broaden your network as part of City HR.
